Dear Harold & Jo

Remembering you  
with warm wishes

for happiness at this wonderful season.

I hope you are doing well  
Bill and I are fine. We're expecting  
a baby in July and we are very  
excited. I'm still working in the  
hospital and in my private practice.  
Norma Thompson is guest in Boston.  
We enclosed a wedding photo.  
We didn't have any last Christmas.

Take

Love

John & Bill
